Cscénarist

La scène se passe en ~~1119~~ ~~au moyen-âge~~ au temps des chevaliers.  
 C'est un tournoi.  
 Le chevalier de la P de La Roquette s'est battu en tournoi avec le sire de la Trémouille (nom trouvé par Quick).  
 Le chevalier de la Roquette est un bon et il a gagné.  
 Le sire de la Trémouille est un mauvais et il est battu

Scène I

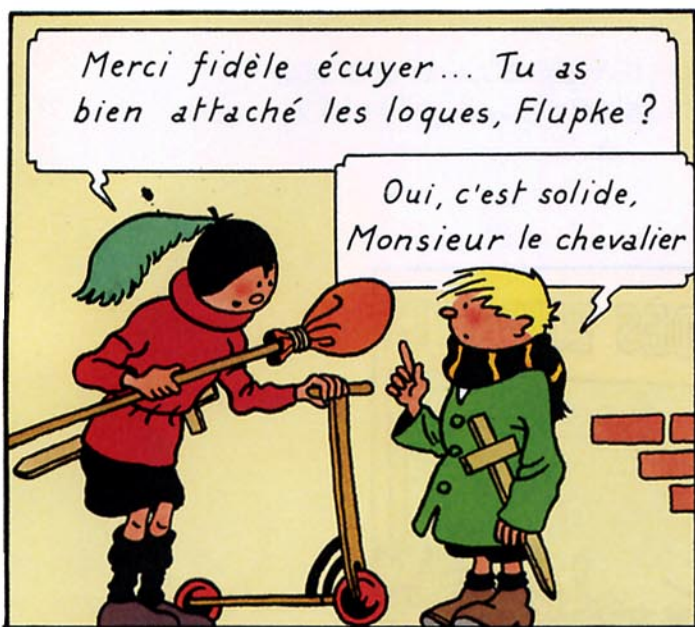

Va fidèle écuyer, chercher ma bonne lance et mon beau destrier.

Oui, chevalier, j'y cours...

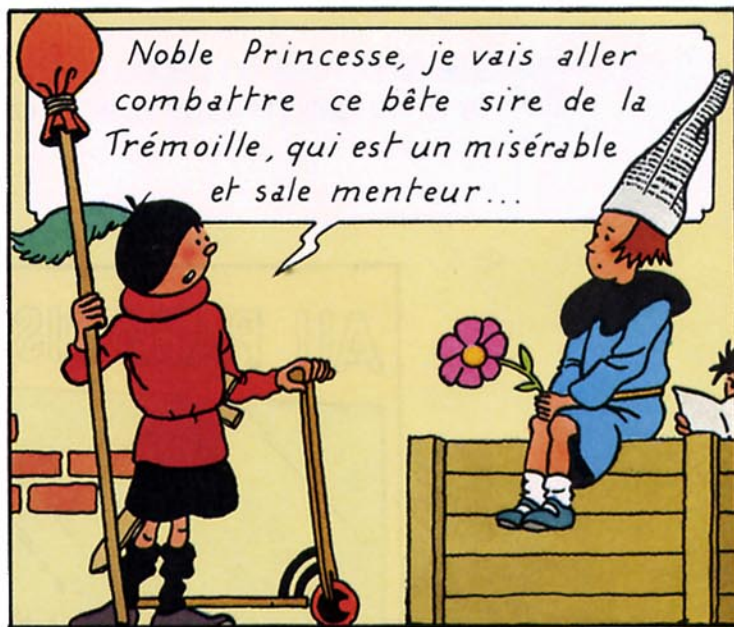

Merci fidèle écuyer... Tu as bien attaché les loques, Flupke ?

Oui, c'est solide, Monsieur le chevalier

Noble Princesse, je vais aller combattre ce bête sire de la Trémouille, qui est un misérable et sale menteur...

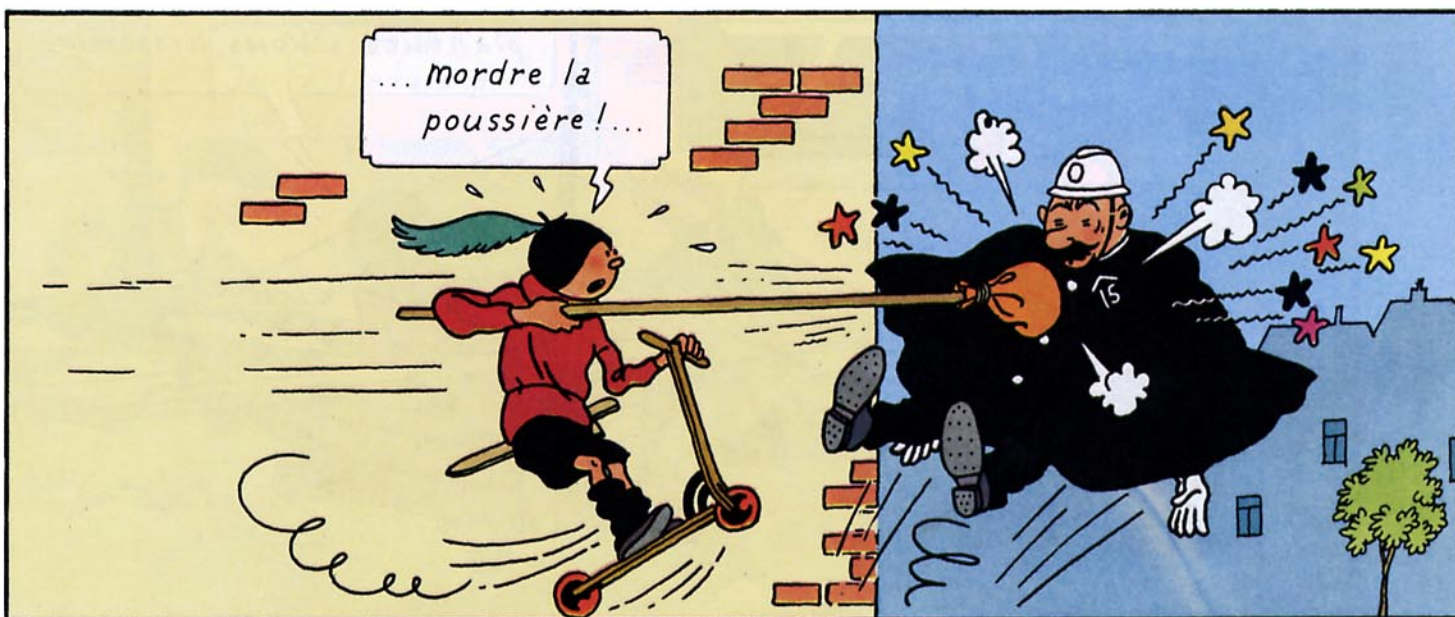

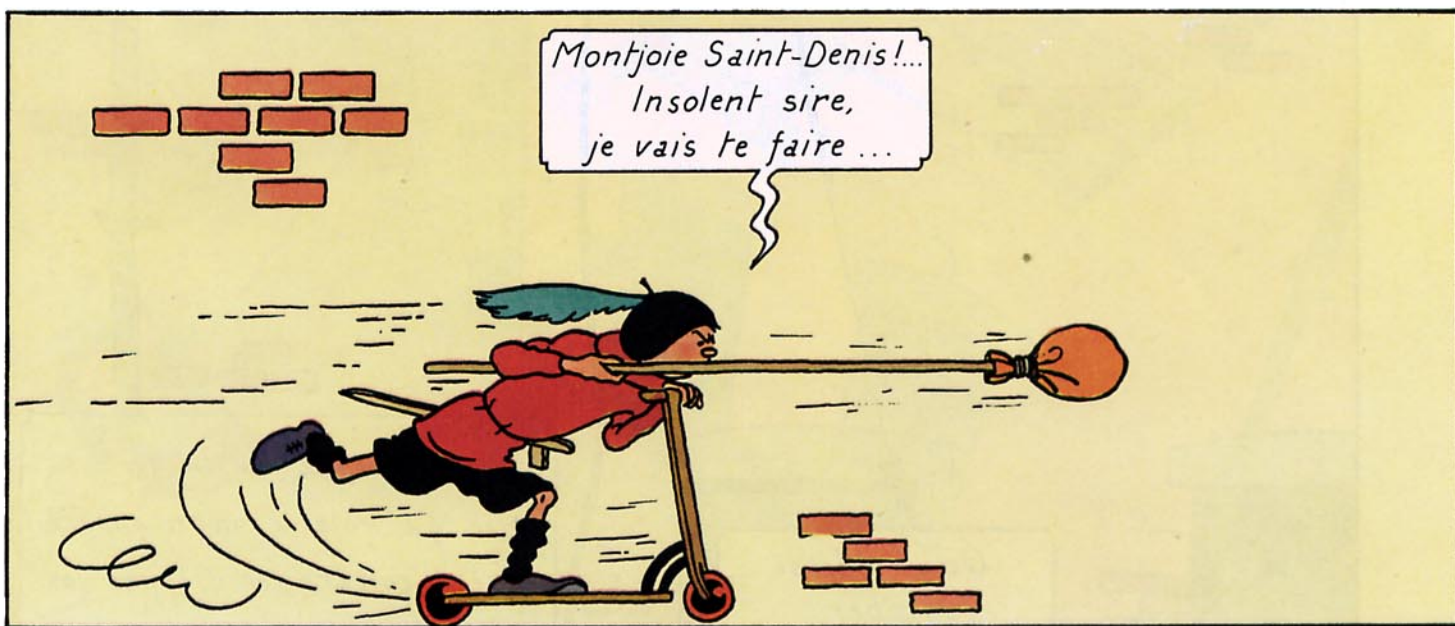

Au revoir, Noble Princesse, le héraut m'appelle en lice

Adieu... beau... chevalier...

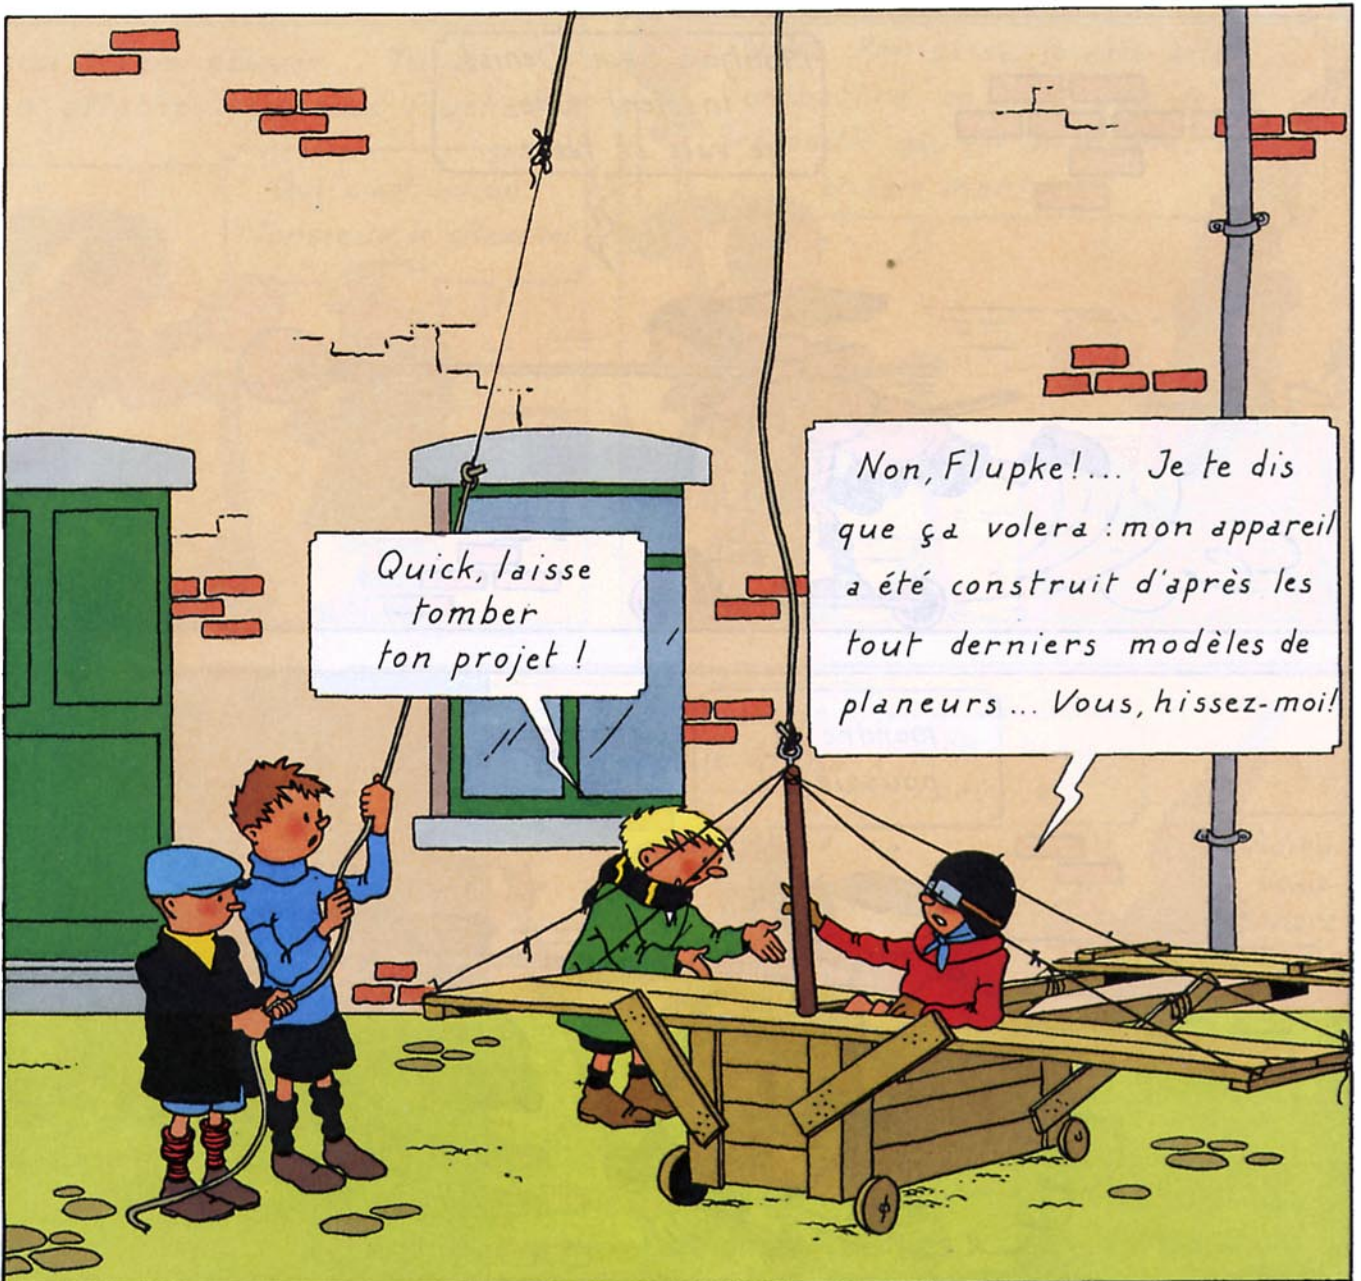

Adieu, beau chevalier

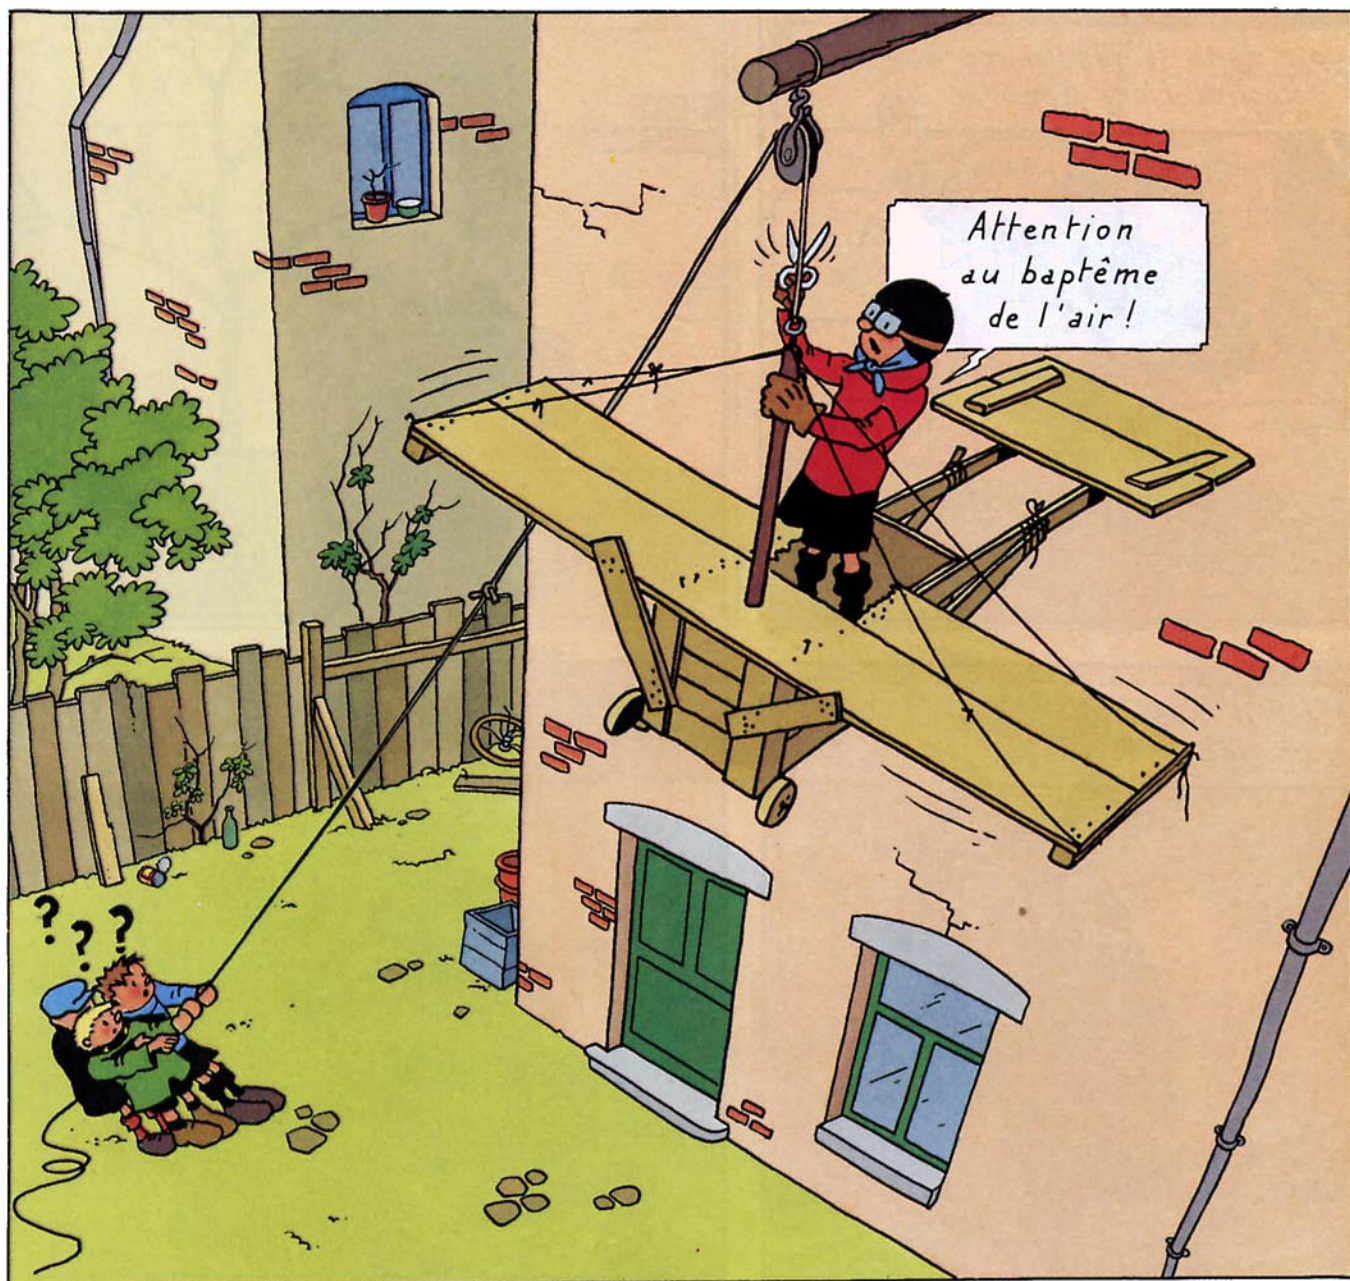

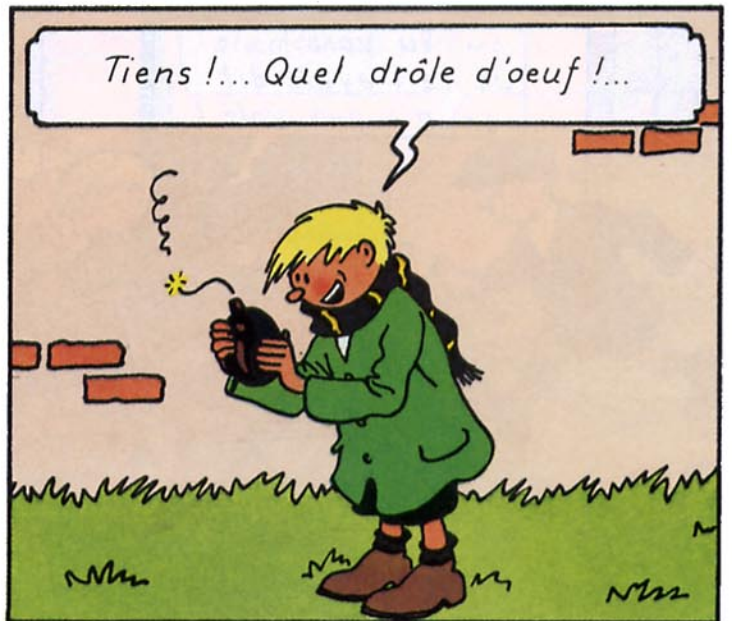

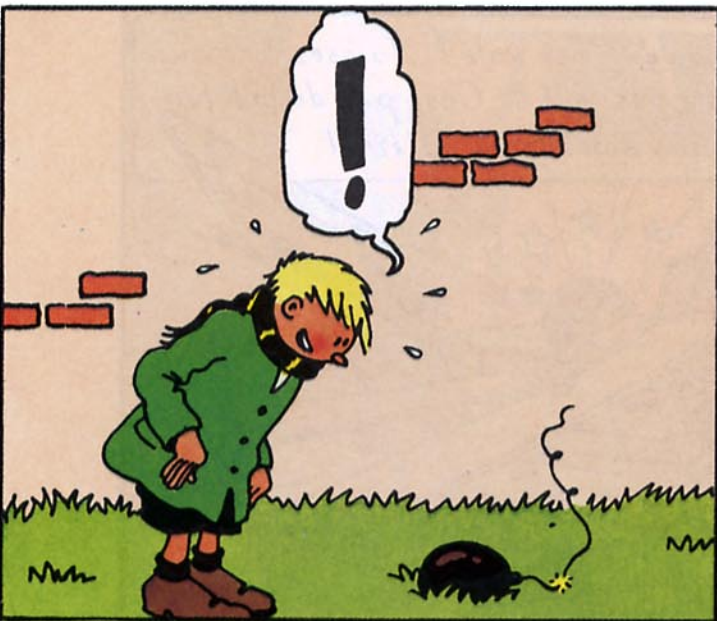

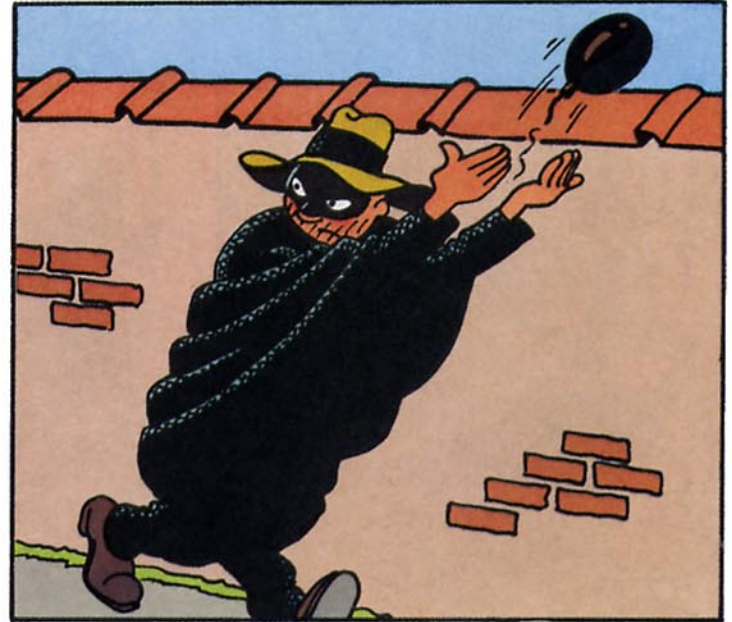

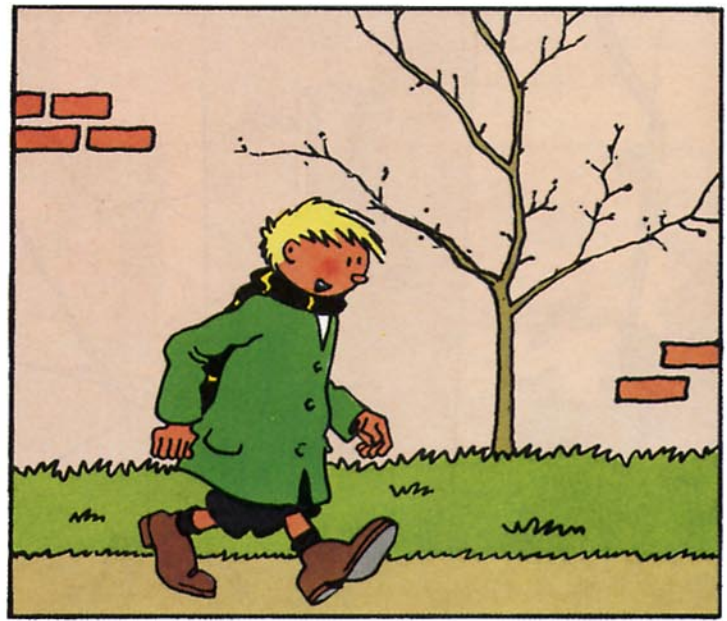

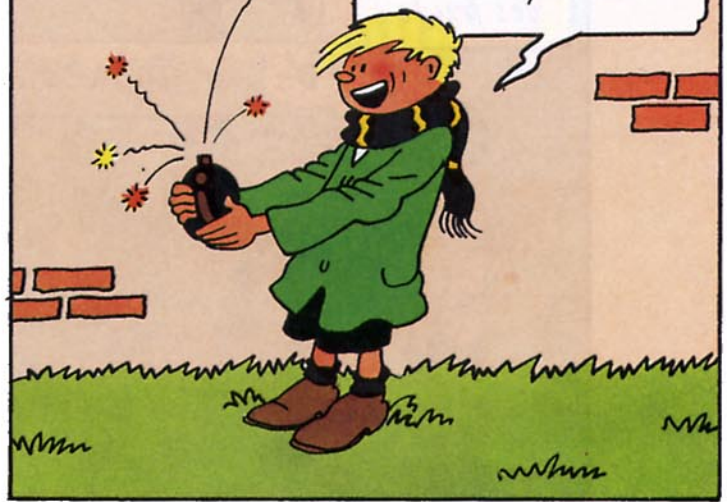

Et quelle drôle d'odeur!...

C'est un oeuf-surprise!...

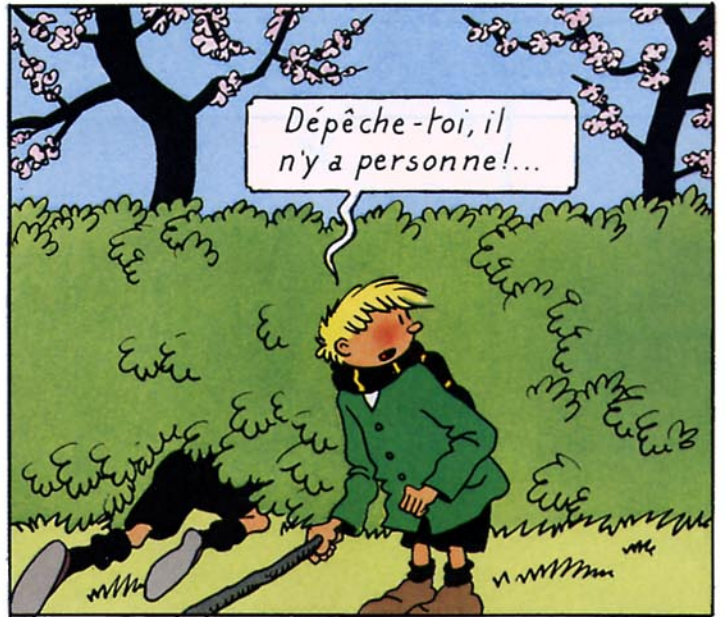

Quel farceur, ce papa!...  
Je ne l'aurais jamais cru  
capable de faire de pareils  
poissons d'avril!

l'agent n° 15 fait une farce

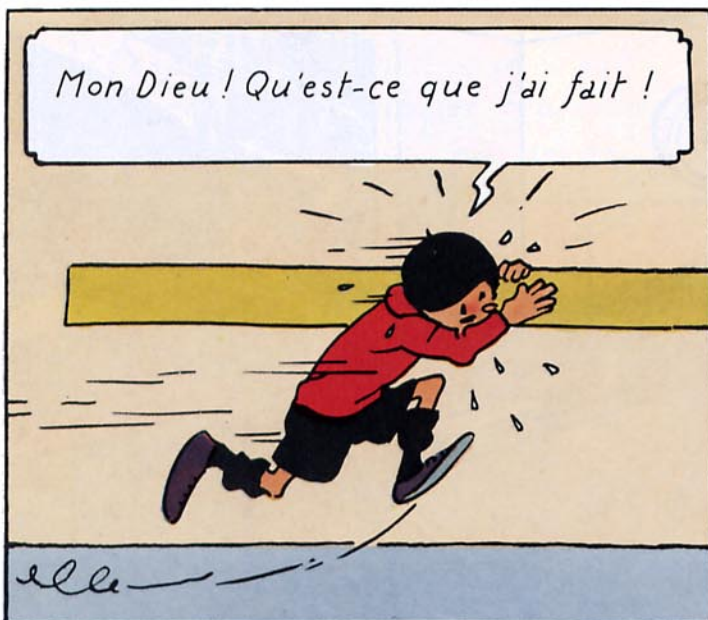

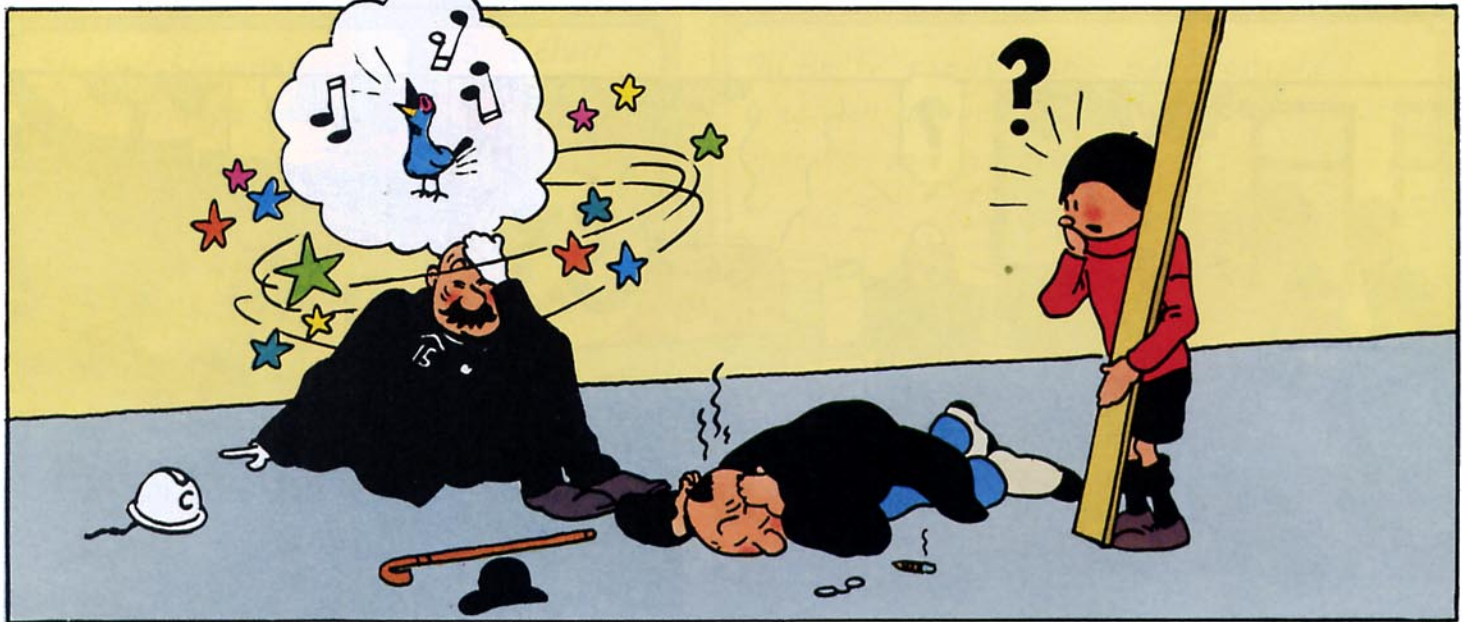

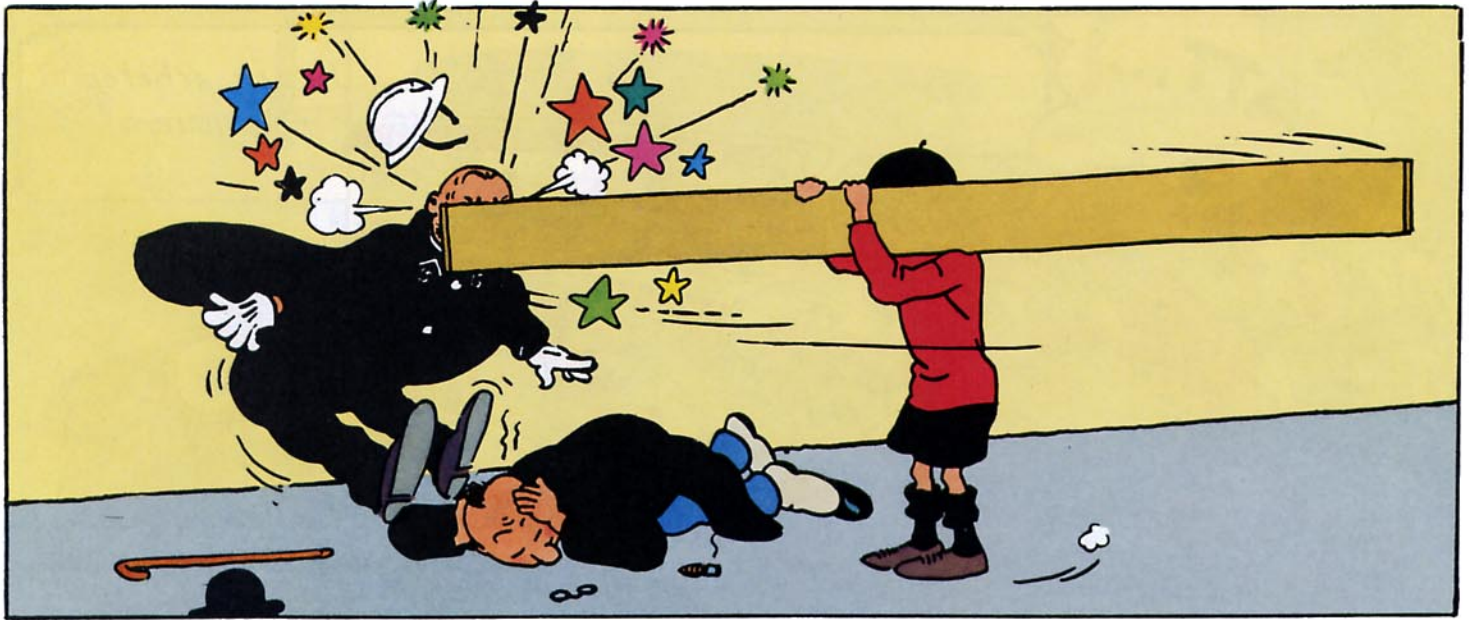

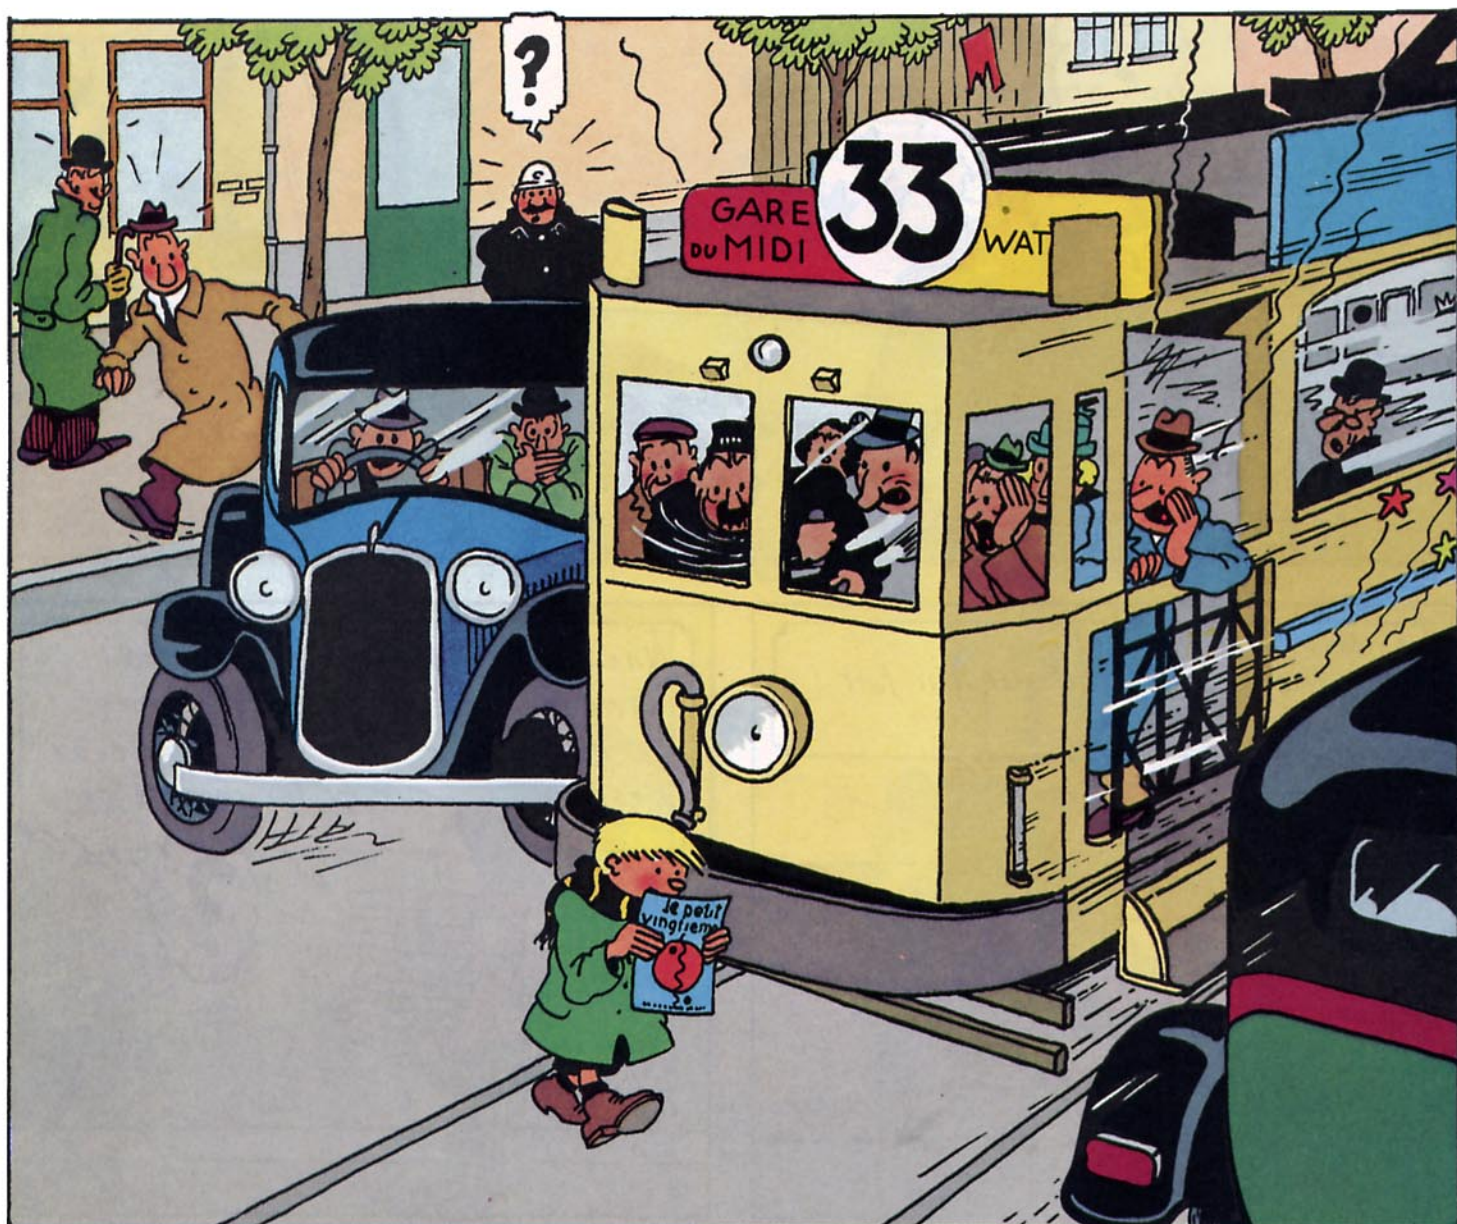

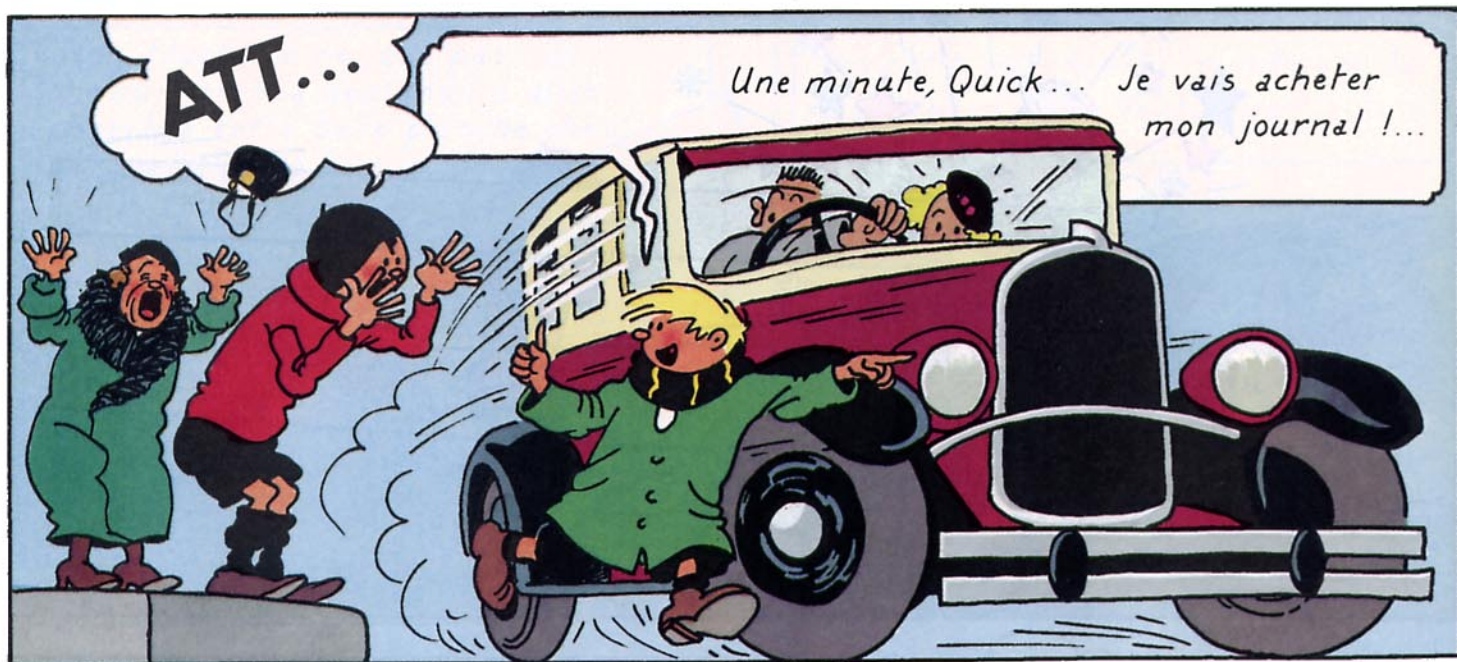

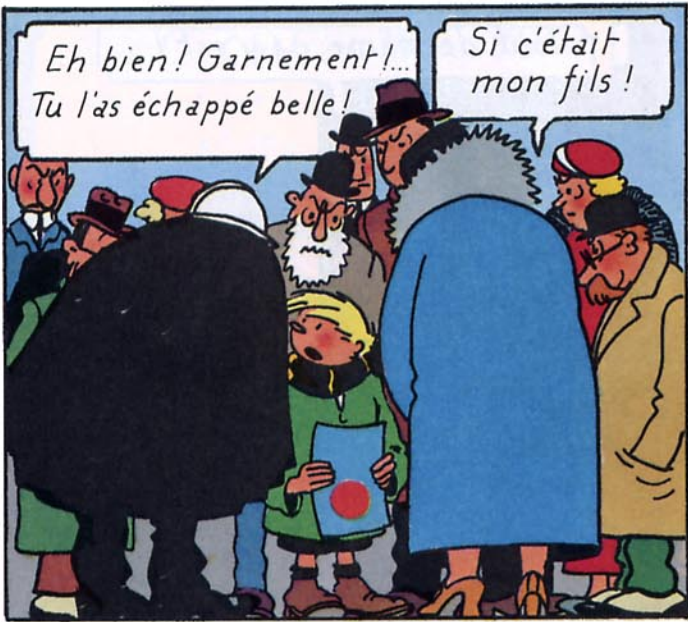

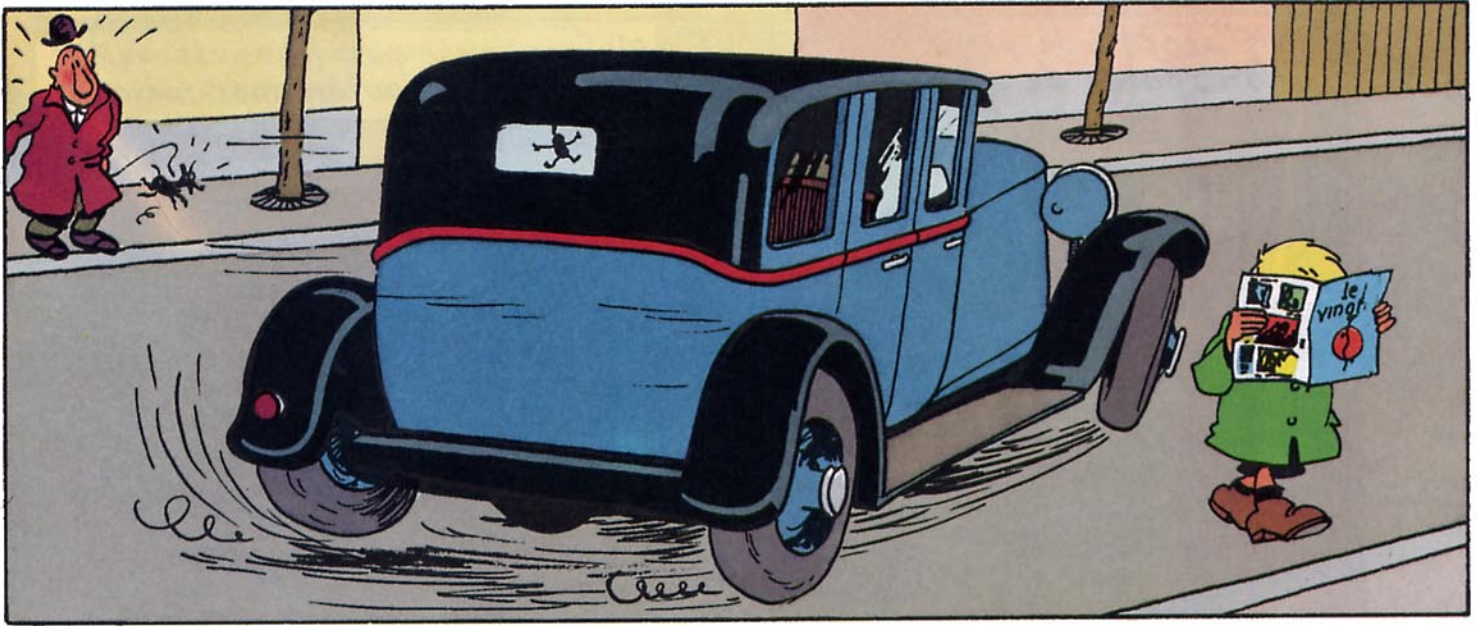

Eh bien! Garnement!...  
Tu l'as échappé belle!

Si c'était  
mon fils!

Tu ne te rends donc pas compte?...  
C'est un miracle!... Un véritable miracle  
que tu sois encore vivant!

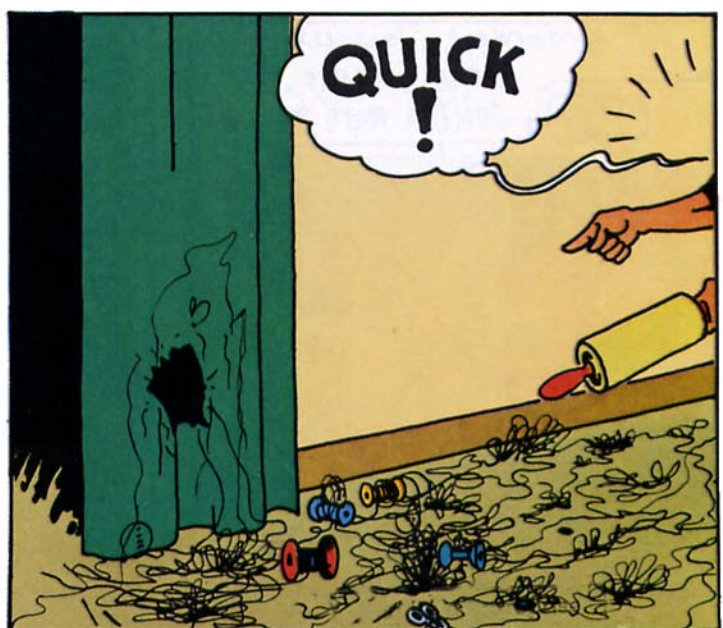

Essaie de retenir que c'est  
uniquement sur les trottoirs  
qu'on marche en sécurité!...

... Comme si nous avions  
l'habitude de casser !...  
Allez, viens !...

Non Quick, je  
t'assure, j'ai  
pas envie...

Eh bien, d'accord, Flupke!  
Occupe-toi seulement de  
remplir un baquet d'eau chaude...

Ah !... Ça je  
veux bien !...

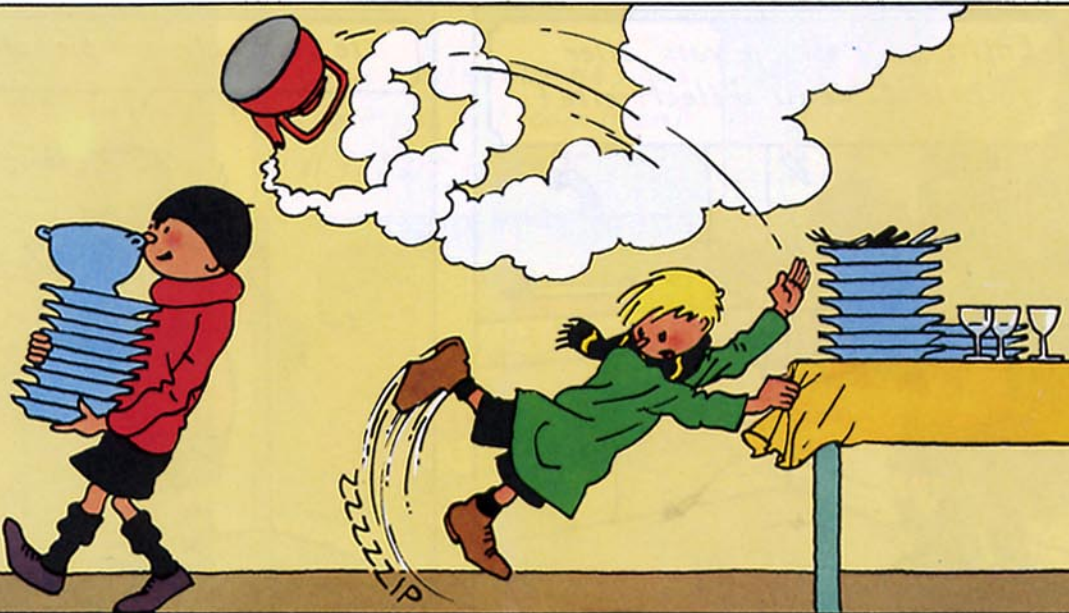

Et voilà, c'est fini !... Tu vois,  
Flupke, que je n'ai rien cassé !...  
Je vais maintenant ranger la  
vaisselle pendant que tu rangeras  
le baquet !...

Oui, Quick !...

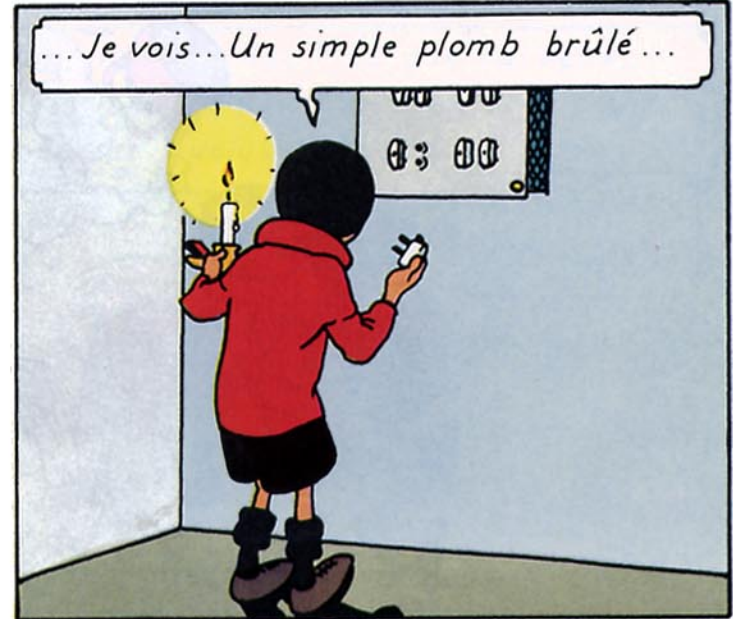

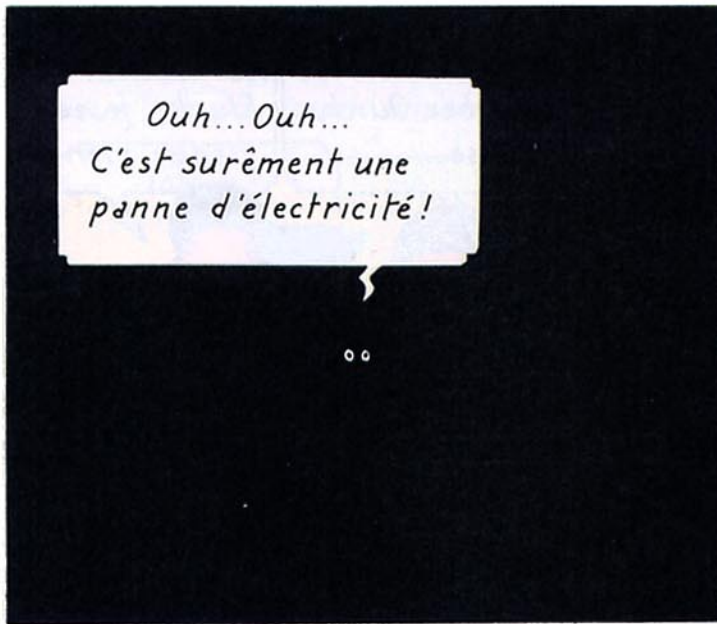

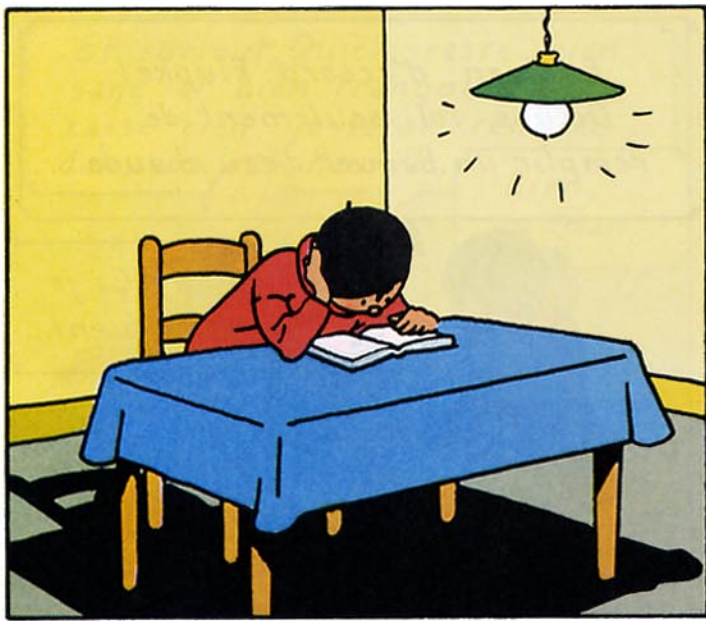

Fais attention à  
ne pas tomber, Quick,  
ça glisse...

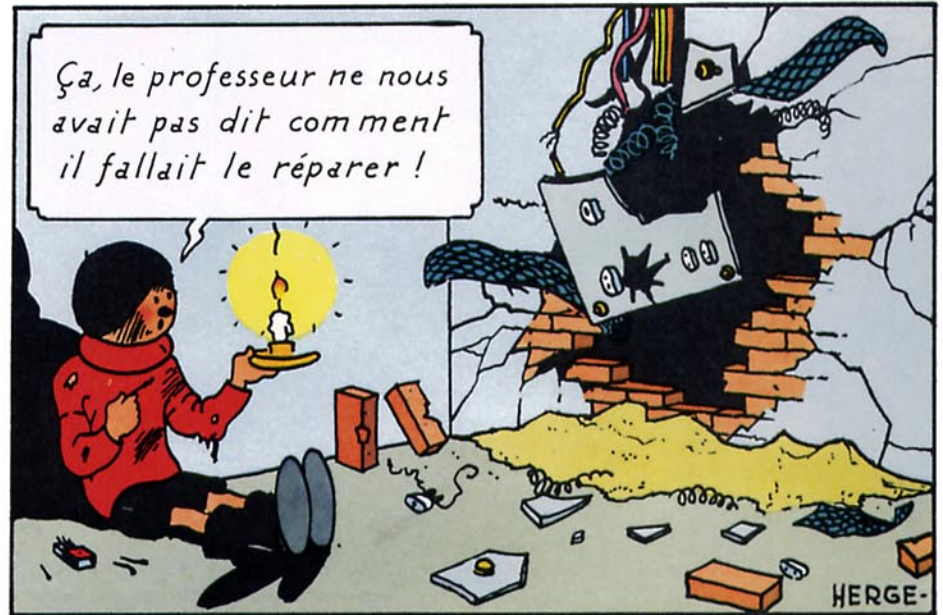

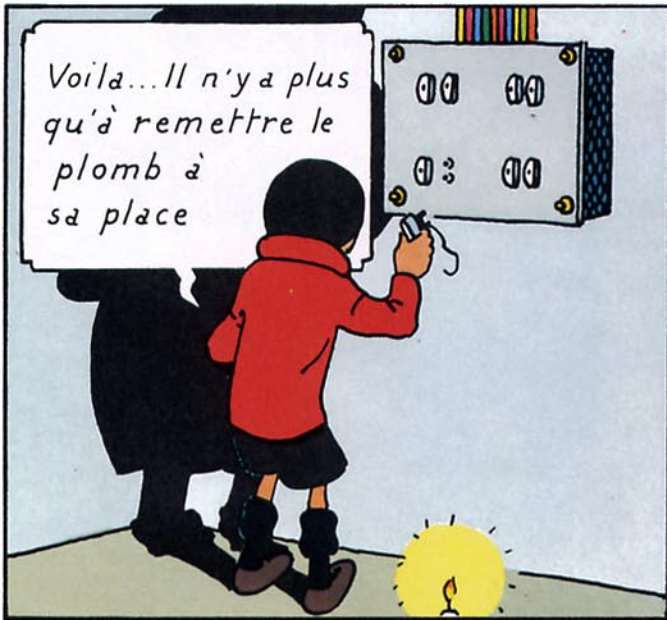

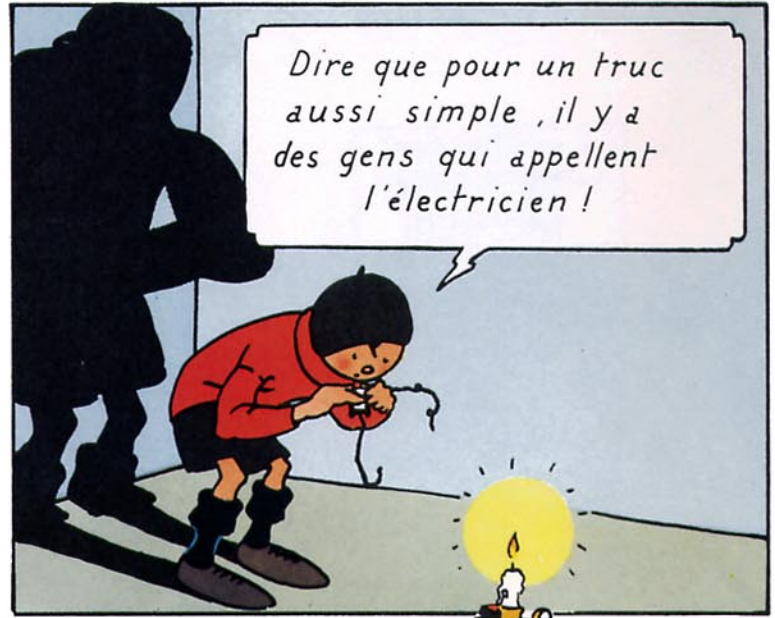

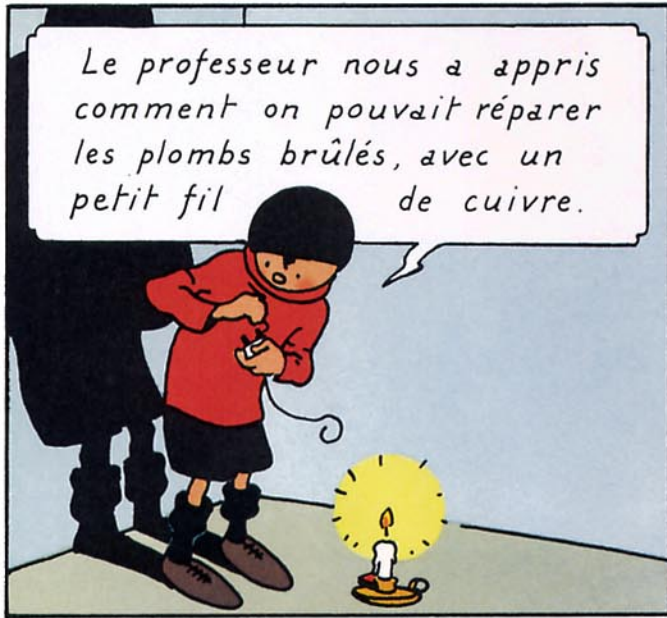

T'en fais pas  
Flupke, je ne  
risque rien !
